

Room

A Novel, by Emma Donoghue
(Little, Brown, \$24.99, 9780316098335)

"Room is like no other book I have ever read. This emotionally powerful story of young Jack and his mother, held in captivity for seven years, is both a heart-wrenching testament to the power of the love between mother and child and a riveting story of overcoming horrible circumstances. Emma Donoghue has written one of those rare books that you will remember reading your entire life, as you will be altered by the experience."
