

## Silver Sparrow

A Novel, by Tayari Jones

(Algonquin, 9781565129900, \$19.95)

"The unconventional, morally troubling relationships at the core of Jones' *Silver Sparrow* illustrate the universality of the human quest for acknowledgment, legitimacy, love, and loyalty. As Chaurisse and her secret half-sister, Dana, move toward adulthood, they must shed idealistic notions of romantic and familial love to face difficult truths. A complex family drama, a richly crafted coming-of-age story, and a meditation on the nature of love and forgiveness, this is a gripping story with characters you will not soon forget."
