

**Iron House**

A Novel, by John Hart

(Thomas Dunne Books, 9780312380342, \$25.99)

"How far would you go to protect your own blood? For Michael, it starts with breaking free of the crime family that made him a stone-cold killer. It ends with him walking a lonely road back to the orphanage he escaped from long ago. Iron House is built from greed, power, lust, and corruption, and Michael's fight is a searing portrait of a man in conflict with his past as well as his present. Weaving together a story of betrayal and redemption that reaches back decades, Hart once again creates a rock-solid thriller."

—Geoffrey Jennings, Rainy Day Books, Fairway, KS
