

Orhan's Inheritance

A Novel, by Aline Ohanesian

(Algonquin Books, 9781616203740, \$25.95)

"Debut author Ohanesian's historical novel relives the nearly forgotten tragedy of the Armenian genocide during and after WWI. Through deportations, massacres, and executions of Christian and Jewish Armenians, the Ottoman Empire and its successors eliminated 1.5 million citizens. Ohanesian's beautifully written book shares a tale of passionate love, unspeakable horror, incredible strength, and the hidden stories that haunt a family. Highly recommended."
