All Our Wrong Todays: A Novel

By Elan Mastai

(Dutton, 9781101985137, \$26)

"Tom Barren is a time traveler. From 2016. A different 2016 from ours, that is. It's complicated. You see, he travelled from his techno-perfect utopian 2016 back to 1964 and really messed things up, leaving us with our current world. Now, the 2016 Tom-in-our-world, given the chance to return to 1964 and fix what he broke and return the world

to the spiffy state he knows, faces the dilemma of loyalty to friends and family from his world versus the possibility of settling down with the love of his life in our grungy world. Whichever he chooses, people he loves will cease to exist. I predict the clever, witty, and poignant *All Our Wrong Todays* will be a huge bestseller for screenwriter and first-time novelist Elan Mastai."
